

MERJE's journey with Kyloe AI for Bullhorn

How Kyloe AI is helping MERJE become more productive and efficient across all departments.

Adopting AI and change management

"We needed an AI technology seamlessly fitted into Bullhorn, and that's why Kyloe AI is perfect... It's right there in Bullhorn, and it's really easy to use, just a couple of clicks to get what you need!"

Beth Langstreth, Marketing Manager @ MERJE

Established: 2011 Region: UK Industries: Permanent, Interim & Executive Employees: 35 employees

AI-powered CV and resume formatter

"We've tried a lot of CV/resume formatting tools and none have hit the mark. Kyloe AI for Bullhorn is a game changer in terms of the time savings and quality output."

Error-free and consistent job adverts

"Since implementing Kyloe AI, we haven't had to worry about typos or inconsistent messaging. Now every job advert is polished."

Unparalleled productivity at all levels

"Everyone is using Kyloe AI for Bullhorn at MERJE, from consultants to admin and marketing. We all now have more time to focus on more valuable tasks."

Increased efficiency

"Kyloe AI for Bullhorn has made every member of our team—consultants, admin, or marketing—more efficient. It streamlines multiple processes across the board and fits seamlessly into our daily workflows."

Results

Kyloe AI for Bullhorn has proven to be a game-changer, automating time-consuming tasks like CV/resume formatting and job advert creation, while significantly improving accuracy.
